2018 - 2021

Gour Mahavidyalaya, Malda

SKILLS

Frontend

HTML5, CSS3, Tailwind CSS, SASS, Javascript, React Js, Next.js

Backend

Node.js, MongoDB, Express, Django

Testing & Deployment

Netlify, Vercel, Docker

PROJECTS

Portfolio Website

- Implemented in React.Js. I've made it for showcasing my personal works.

Coaching Centre Website

- Built a fully responsive and mobile friendly website (with live chat support & Oauth 2.0 Google Log in) for a coaching centre entirely from scratch and was responsible for fixing the UI & modifying the entire web application. Used HTML, CSS, JavaScript & Material Icons

Social Media Web Application

- this web application contains theme background customization, Sidebar menu toggle, font-size customization, theme color customization.
